EDUCATION

12th Boards — HSC (Science: PCM)

Maharashtra State Board

2024 – 2025

Thane, Maharashtra

68.67% | Physics, Chemistry, Mathematics

JEE Mains 2025: 88.1 Percentile | MHT-CET 2025 (PCM): 79.98 Percentile

10th Boards — SSC

Maharashtra State Board

2022 – 2023

Thane, Maharashtra

78.28%

TECHNICAL EXPERIENCE

Data & Operations Intern

Somaiya Sports Academy

2024 – 2025

Thane, Maharashtra

- Completed **320 hours** of internship across data management, event coordination, and social media operations.
- Collected, organised, and maintained **player performance statistics** using Excel and Google Sheets, ensuring data accuracy across all records.
- Built **automated report templates** in Excel, reducing manual data entry time and minimising errors in weekly performance summaries.
- Streamlined data workflows by introducing structured entry formats and naming conventions, improving team-wide efficiency.
- Coordinated events** for the academy, managing logistics and stakeholder communications across multiple sporting activities.
- Managed social media presence** for the academy, creating content and increasing audience engagement.
- Drafted and maintained **standard operating procedure (SOP) documents** for data collection and reporting, ensuring continuity across the team.
- Leveraged **AI tools** to assist in drafting reports, proofreading communications, and generating content summaries.

PROJECTS

Sports Performance Dashboard

Personal Project — Excel & Python

2025

- Designed a structured Excel dashboard to track and visualise player performance metrics collected during the internship.
- Explored Python (pandas) for automating data cleaning steps, reducing pre-processing time for weekly reports.

TECHNICAL SKILLS

Python (Beginner)

Microsoft Excel

Google Sheets

Canva

AI Tools (ChatGPT etc.)

MS Word / PowerPoint

Data Entry & Validation

Report Automation

SOP Documentation

Social Media Management

ACHIEVEMENTS

88.1 Percentile — JEE Mains 2025

Scored in the top 12% nationally among over 1.2 million candidates in one of India's most competitive engineering entrance exams.

79.98 Percentile — MHT-CET 2025

Strong performance in the Maharashtra state engineering entrance exam (PCM stream).

320-Hour Industry Internship

Completed a full-length internship at Somaiya Sports Academy, delivering improvements across data accuracy, event coordination, and social media engagement.

STRENGTHS

Detail-Oriented

Self-Motivated

Quick Learner

Responsible

Team Player

Process-Driven

AREAS OF INTEREST

Python Mini-Projects

Self-Learning

📅 2024 – Ongoing

- Built beginner Python scripts including a calculator, number guessing game, and basic data sorter to develop programming fundamentals.
- Currently learning data manipulation libraries (pandas, NumPy) to apply to real-world sports datasets.
